Auxiliary

The year has gone by so fast, and I can't believe my term has too. We have a great bunch of Auxiliary Ladies who are always doing what needs to be done to help out. The Kids Christmas Party was a hit, as well as the New Years Eve Prime Rib Dinner Buffet. I can't imagine having these without our volunteers.

As a reminder..... your yearly dues were to be paid by the end of 2017 year. If they still have not made it to us, now would be the time. I hope to see some new members soon. Hopefully some old ones join our group of volunteers as it is great to help our Veterans.

For God, Country, and our Veterans,
Auxiliary President, Tracey Miller

Sons of Legion

WANTED card carrying SAL members who are willing to be board officers or willing to attend meetings for our board. The meetings are the second Tuesday of every month at 7:00 pm. There is another Prime Ticket Night in March, so buy your tickets early. It's going to be another sell out and a lot of fun. So look for the advertisement! In April, The Sons of the Legion will be holding a 200 Club party. Come to the Legion and have a great afternoon with friends and fellow Legion members! The Legion now has a great cooking staff in the kitchen, so come on down and let them prepare a great meal for you!

David M. Watson SAL Commander
