

Commander Neville Messinger Auxiliary President Carolyn Fish

Commander David Watson

## American Legion:

Hopefully our post will be opening soon. The designated date to reopen is June 20th with some changes that will be needed for us to do this. The list below is required for phase 4:

1. 100% occupancy in all areas, but 6' apart. Patrons in non-seated areas must observe social distancing.

2. Bar stools must be 6' apart.

3. Dining tables must be 6' apart.

We are not yet sure about bands in August, we must follow CDC & Chaut. Co health dept to be safe and to remain open.

Hope to see you all soon, it has cost the post about \$1400/week to stay closed so we need everyone's support

Commander, Neville Messinger*

## Auxiliary:

Summer is here and so are we! Our post will reopen near the end of June with preventative measures for everyone's safety. Our Tuesday night dinners are returning with Carol and Nancy and the other members of the auxiliary that help. Thanks again to the volunteers who cleaned and sanitized the post. The kitchen was tackled from all equipment to the floors. The men did a fantastic job on the grill, stoves and drains with some replacements that were installed. The bathrooms, front entrance, showcase and bar areas were also thoroughly cleaned. The unnamed volunteers worked hard and long and it's very much appreciated. We are so lucky to have such devoted members and a wonderful commander who works right alongside the volunteers. The Auxiliary will have our meeting on July 2, 2020 at 6pm. I look forward to seeing everyone and hopefully some new faces.

*For the good of the Legion,  
Auxiliary President, Carolyn Fish*
