## American Legion

Boy how time flies! Here it is the middle of September already; soon it will be getting colder and time to get the fall clothing out. The good news is that we have requested bids for a new furnace. Our target date for installation is around the middle of October depending on weather and availability. I would like to thank the Blue Grass players on Wednesday nights for their contribution along with all the Veterans and members who have helped. Without all of you who have helped, we would be colder this winter. Thank you again.

We are losing a longtime member of our family – Josh Houghwot, our dishwasher, sometimes cleaner or anything else he has been asked to do. He will be deeply missed by everyone, but we are happy because he is moving up. He will be working at the new hotel on the lake. We wish him well and only ask that he stop be the Legion once in a while to say hello. Good luck to you Josh, you are going to be missed.

The Auxiliary now has a new office which was the old conference room. They have more space and now all offices are near each other in the same hallway.

The board has voted to hire an accounting firm, A.M. Suchar & Sons, who will be taking care of our accounts. A monthly report showing all the Legion's incoming and outgoing monies will be forwarded to the board for approval. All board members as well as the Auxiliary and SAL officers will also have access to this report.

The 200 Club drawing held on September 15<sup>th</sup> was a huge success, much better than we even anticipated. Thanks to all who volunteered and participated.

Again, thanks to all the volunteers and the many helpers who are there when we need them. I can't express to you how much I appreciate all you do to help me and our Legion.

*Legion Commander, Carl Olander*
